Course Fees are pegged to 6% and 7.5% of the 25th-percentile Annual Living Wage for Masters and Doctorate respectively. Prices may vary or change at any time with the thought of those students who are already matriculated in mind. So different students may pay different amounts based on Foreign Exchange Rate, Average Living Wage, Cost of Living indices, Date of Matriculation, and Financial Assistance status. These prices do NOT include books or course material; however, ABCS will endeavor in each course to minimize the course material costs without decreasing the course efficacy.
